Forward-Looking Statements

This communication contains forward-looking statements (including within the meaning of Section 21E of the Securities Exchange Act of 1934, as amended, and Section 27A of the Securities Act of 1933, as amended) concerning Gemphire, NeuroBo and the proposed merger. These statements may discuss goals, intentions and expectations as to future plans, trends, events, results of operations or financial condition, or otherwise, based on current beliefs of the management of Gemphire, as well as assumptions made by, and information currently available to, management. Forward-looking statements generally include statements that are predictive in nature and depend upon or refer to future events or conditions, and include words such as “may,” “will,” “should,” “would,” “expect,” “anticipate,” “plan,” “likely,” “believe,” “estimate,” “project,” “intend,” and other similar expressions. Statements that are not historical facts are forward-looking statements. Forward-looking statements are based on current beliefs and assumptions that are subject to risks and uncertainties and are not guarantees of future performance. Actual results could differ materially from those contained in any forward-looking statement as a result of various factors, including, without limitation: the risk that the conditions to the closing of the proposed merger are not satisfied, including the failure to obtain stockholder approval for the proposed merger in a timely manner or at all; uncertainties as to the timing of the consummation of the proposed merger and the ability of each of Gemphire and NeuroBo to consummate the merger; risks related to Gemphire’s ability to correctly estimate and manage its operating expenses and its expenses associated with the proposed merger pending closing; risks related to Gemphire’s continued listing on the Nasdaq Capital Market until closing of the proposed merger; risks related to the failure or delay in obtaining required approvals from any governmental or quasi-governmental entity necessary to consummate the proposed merger; the risk that as a result of adjustments to the exchange ratio, Gemphire stockholders or NeuroBo stockholders could own more or less of the combined company than is currently anticipated; risks related to the market price of Gemphire Common Stock relative to the exchange ratio; the risk that the conditions to payment under the contingent value rights will be not be met and that the contingent value rights may otherwise never deliver any value to Gemphire stockholders; risks associated with the possible failure to realize certain anticipated benefits of the proposed merger, including with respect to future financial and operating results; the ability of Gemphire or NeuroBo to protect their respective intellectual property rights; competitive responses to the merger and changes in expected or existing competition; unexpected costs, charges or expenses resulting from the proposed merger; potential adverse reactions or changes to business relationships resulting from the announcement or completion of the proposed merger; the success and timing of regulatory submissions and pre-clinical and clinical trials; regulatory requirements or developments; changes to clinical trial designs and regulatory pathways; changes in capital resource requirements; risks related to the inability of the combined company to obtain sufficient additional capital to continue to advance its product candidates and its preclinical programs; and legislative, regulatory, political and economic developments. The foregoing review of important factors that could cause actual events to differ from expectations should not be

construed as exhaustive and should be read in conjunction with statements that are included herein and elsewhere, including the risk factors included in Gemphire's most recent Annual Report on Form 10-K, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K filed with the SEC as well as Gemphire's registration statement on Form S-4, filed with the SEC on September 3, 2019, and the preliminary proxy statement/prospectus/information statement included therein. Gemphire can give no assurance that the conditions to the merger will be satisfied. Except as required by applicable law, Gemphire undertakes no obligation to revise or update any forward-looking statement, or to make any other forward-looking statements, whether as a result of new information, future events or otherwise.

Important Additional Information Will be Filed with the SEC

On September 3, 2019, Gemphire filed a registration statement on Form S-4 with the SEC which included a preliminary proxy statement/prospectus/information statement. A definitive proxy statement/prospectus/information statement will be filed with the SEC and mailed to the stockholders of NeuroBo and Gemphire once the registration statement becomes effective. Each party may file other documents with the SEC in connection with the merger. **INVESTORS AND STOCKHOLDERS OF GEMPHIRE AND NEUROBO ARE URGED TO READ THESE MATERIALS CAREFULLY AND IN THEIR ENTIRETY BECAUSE THEY CONTAIN, OR WILL CONTAIN, IMPORTANT INFORMATION ABOUT GEMPHIRE, NEUROBO, THE MERGER AND RELATED MATTERS.** Investors and stockholders may obtain free copies of the documents filed with the SEC through the website maintained by the SEC at www.sec.gov.
